CLEAN FOR THE KING

Trinity's Clean for the King event is set for March 25.

The purpose of the event is to tackle fix-it projects – both big and small – deep clean our campus – both inside and out – and to replace ceiling tile.

Sign-up sheets are located around the church and school. There also is a sign-up link that was shared via email and will be shared again this week.

Child-care will be available, and there will be food. The plan is to start around 9 a.m. on March 25 and conclude around 1:30 p.m.

We hope that you can join us. We need everyone's help.

If you have questions, please contact Pastor Grewe.

IN IT FOR THE LONG HAUL

We're just getting out of the starting blocks – that's what Pastor Golter has been preaching.

Our journey to continue to share the Good News and to bring unbelievers to Christ isn't a sprint.

"But the one who endures to the end will be saved." (Matthew 24:13)

We are in it for the long haul.

Our endurance is fed through the Word and Sacrament – and prayer.

We walk by faith – we are just getting out of the starting blocks. The Gospel keeps us churning – the Word is getting out, literally.

Former Trinity School families are now wanting to re-enroll their children at our school.

This past week, Trinity welcomed 40 preschoolers to our campus – many of which are already registered for the 2023-24 school year.

Last week, Trinity welcomed a Child of God to our family through Baptism.

During the past seven days, Trinity's Facebook viewership increased by 135 percent.

This week, Trinity received word that our \$2 million loan has been approved by LCEF underwriting.

On Sunday, we have the opportunity to lay the foundation as to how we move forward with our Refresh, Repurpose, Repair initiative.

In the coming weeks, we welcome Riley Sindt as our full-time Director of Parish Music ... and then Pastor Matthew Schilling as our full-time Associate Pastor. This summer, we have a team traveling to the Dominican Republic to become educated on how we can make an impact.

Join us on this journey – we are just getting out of the starting blocks.
